Un mosaico dall'effetto rustico e un brick completano la gamma per arricchire rivestimenti interni ed esterni, o per valorizzare pavimenti con dettagli rustici e ricercati.

A rustic mosaic and a brick complete the range, adding prestige to indoor and outdoor coverings and setting off floors with refined and rustic details.

Une mosaïque d'apparence rustique ainsi qu'une brique étoffent la gamme pour des revêtements d'intérieur ou d'extérieur plus variés ou des sols agrémentés de détails vécus et raffinés.

Ein Mosaik mit rustikaler Wirkung und ein Ziegelstein runden das Sortiment ab, um Innen- und Außenbeläge zu bereichern oder Böden mit rustikalen und raffinierten Details zu veredeln.

Un mosaico con efecto rústico y un ladrillo completan la gama para enriquecer los revestimientos interiores y exteriores o para valorizar los pavimentos con detalles rústicos y refinados.
